03.

MANAGEMENT

MANAGEMENT

VK Entertainment has been holding Audition to find young artists who have passion for singing and acting.

With the professional cooperation (producers, songwriters, trainers etc) from South Korea in the field of entertainment, we confidently train and develop the talent as stars in Vietnam and internationally.

04.

PRODUCTION

PRODUCTION

VK Entertainment has a high-quality production team and produces trendy and high quality commercial and viral videos. In addition, we have our own live streaming equipment, and we also offer live streaming of our studio's internal and outdoor events. In-house production and partnership with brands.

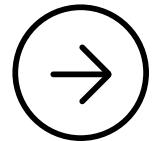

YEOSIM SEOUL

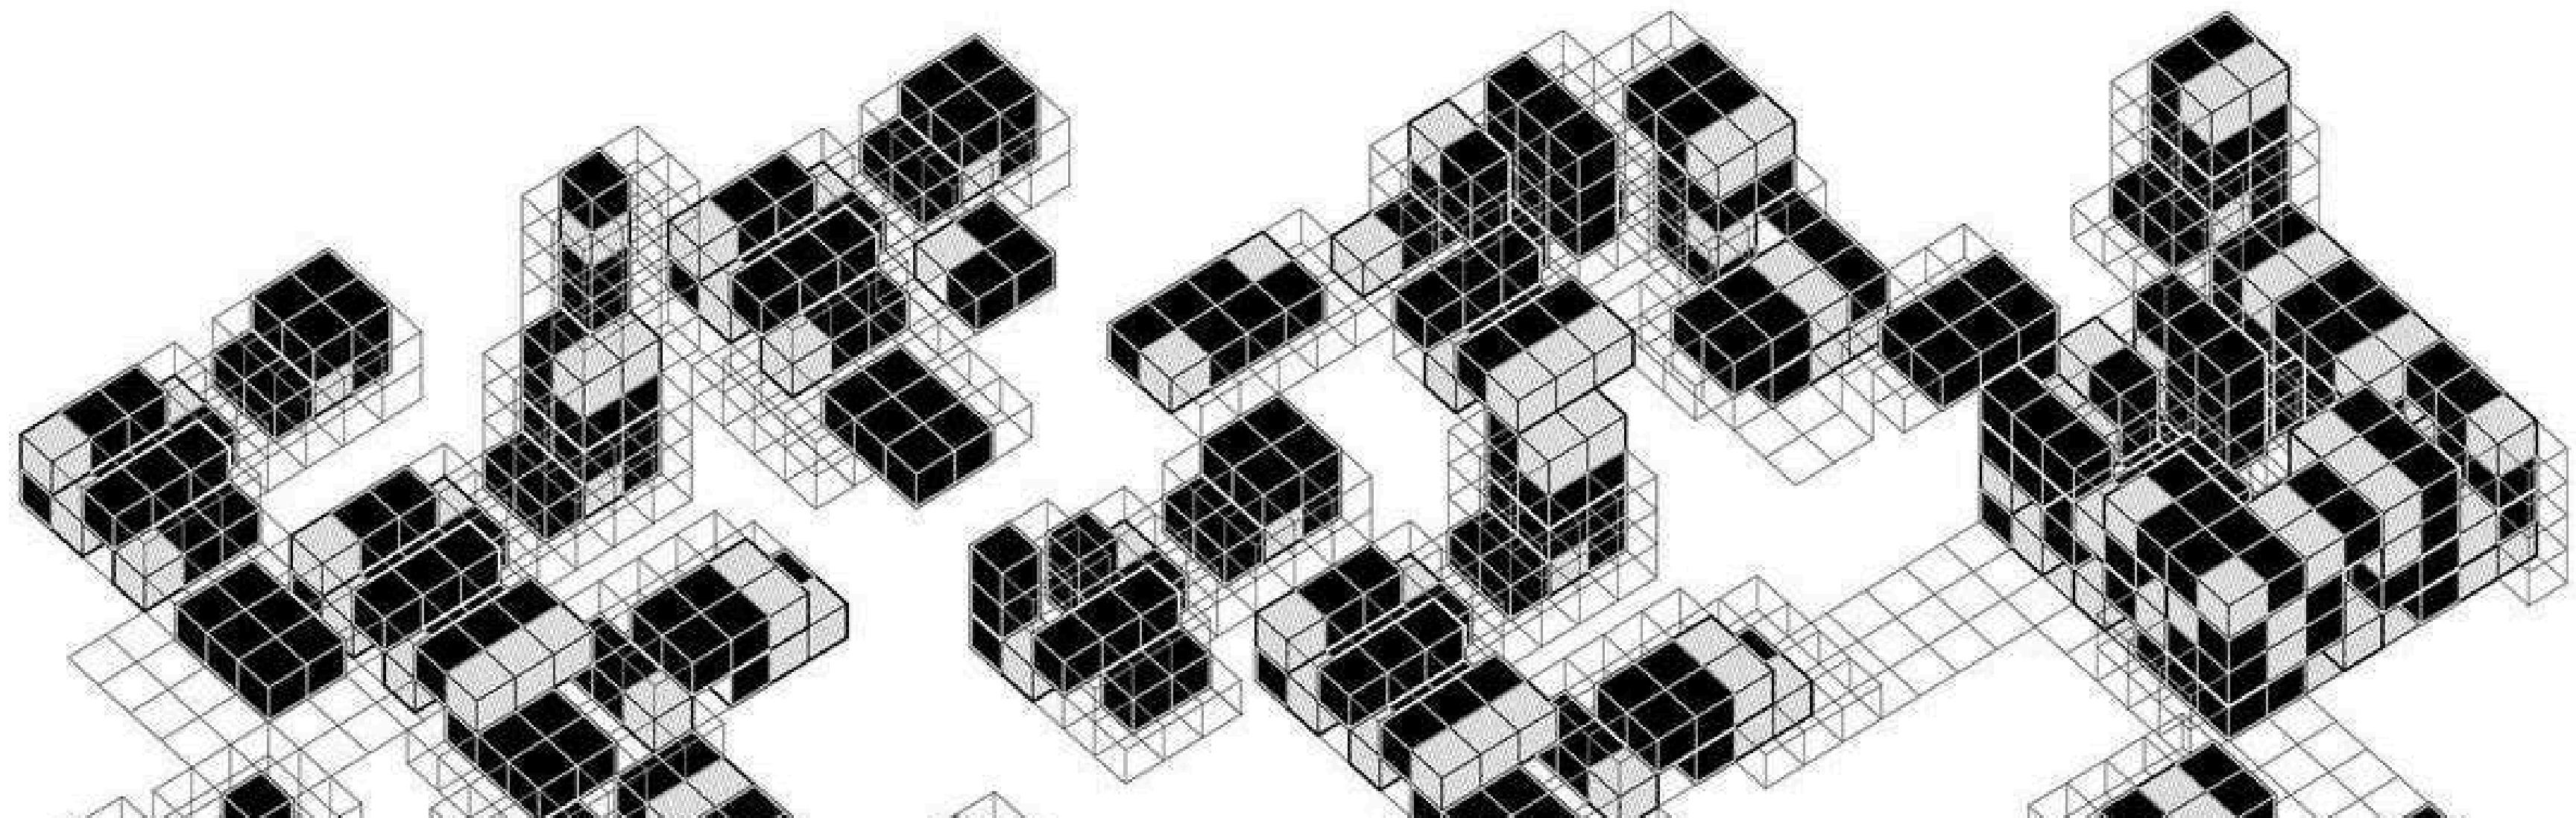

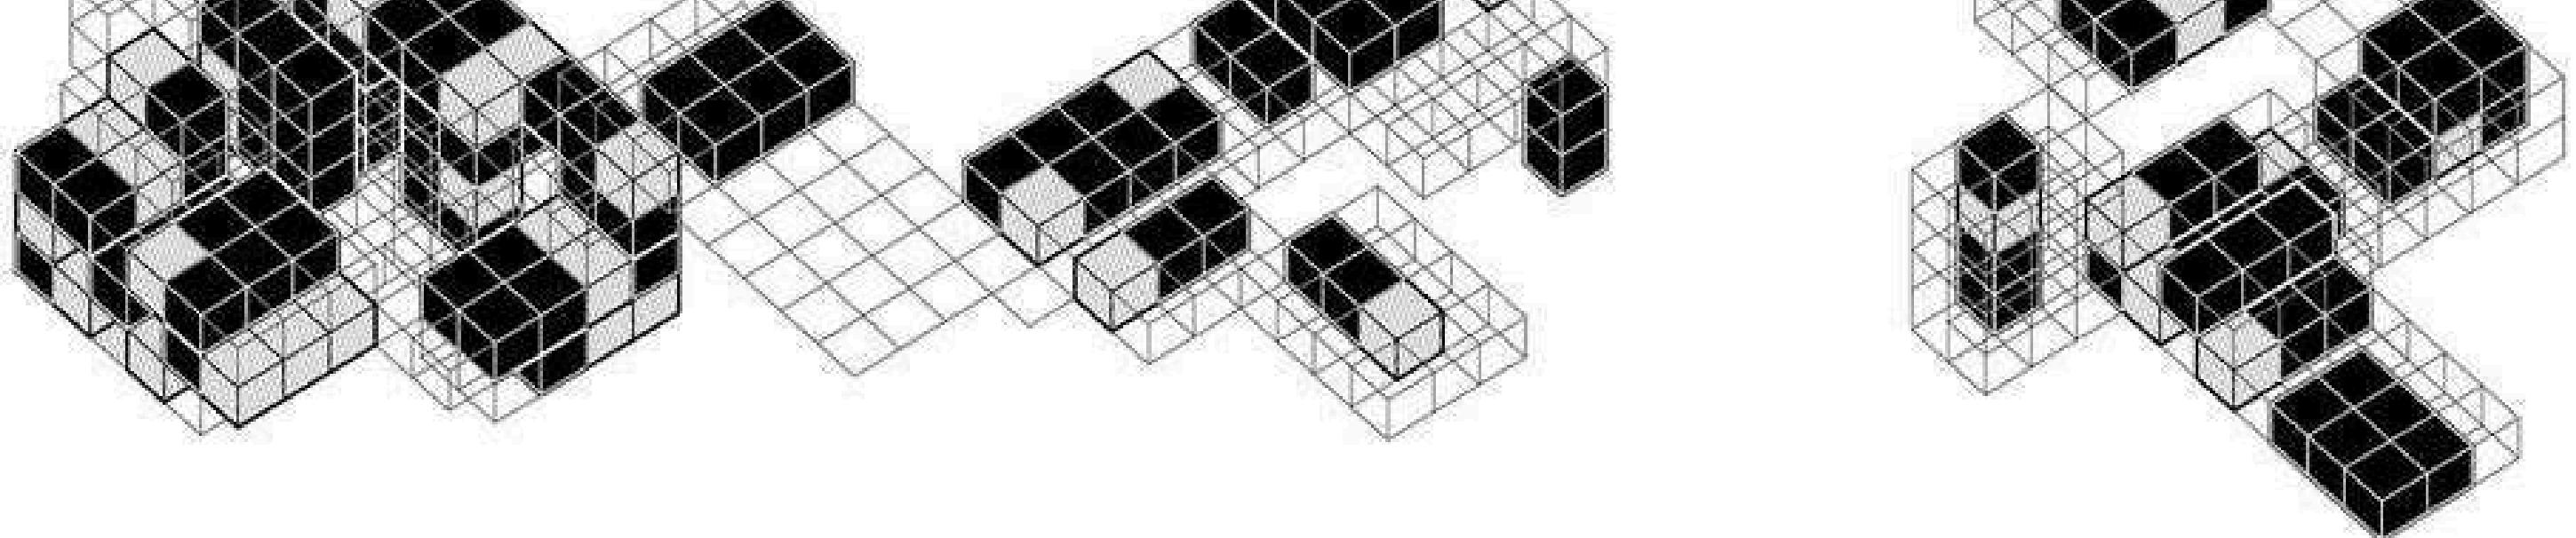

MUSIC BANK VIETNAM 2025

In 2025, VK Entertainment brought the copyright of the KBS Music Bank program to Vietnam. Create opportunities for V-Pop artists to show off their talents, contributing to the development and enhancement of the value of the Vietnamese music industry.

05. DISTRIBUTION

DISTRIBUTION

SNRD EYEWEAR

VK Entertainment is the first and exclusive distributor of SNRD which is one of the most famous eye-wear brands in Korea.

SNRD sunglasses are guaranteed to be the most technologically advanced products in Korea, which not only have superior eye protection, but also enhance fashion and style for customers.

PORORO

In August 2009, VK Entertainment officially signed a project contract for distributing the animated television series <PORORO> with ICONIX.

In Vietnam, <PORORO> has made significant contributions in the social sector, including volunteer work and appearances at various exhibitions. The series has also been broadcast on major networks such as BIBI, HTC, and HTV.

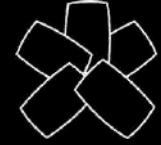

FILM

VK Entertainment is the pioneer in distributing Korean dramas in Vietnam.

We successfully distributed 23 movies and dramas, such as <White Lies>, <Dr.Kkang>, <God of War>, <Midnight Hospital>, <I Trusted Him>, <Cutie Pie>, <I Can't Stop>, <Here He Comes>, etc to Vietnam.

SUPER PLATFORM

06.

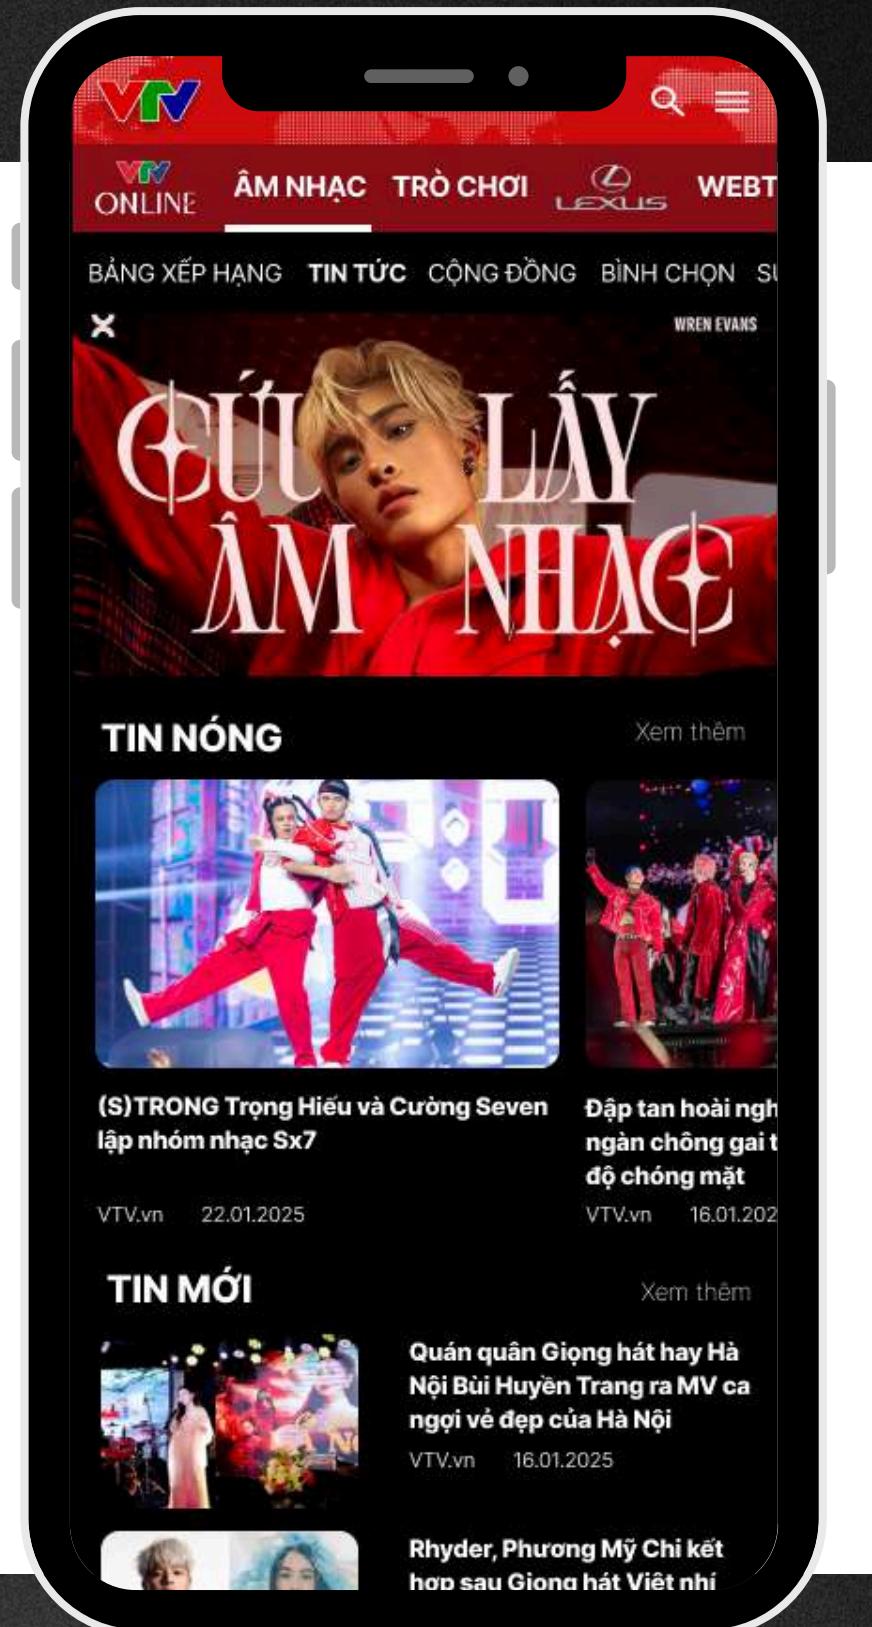

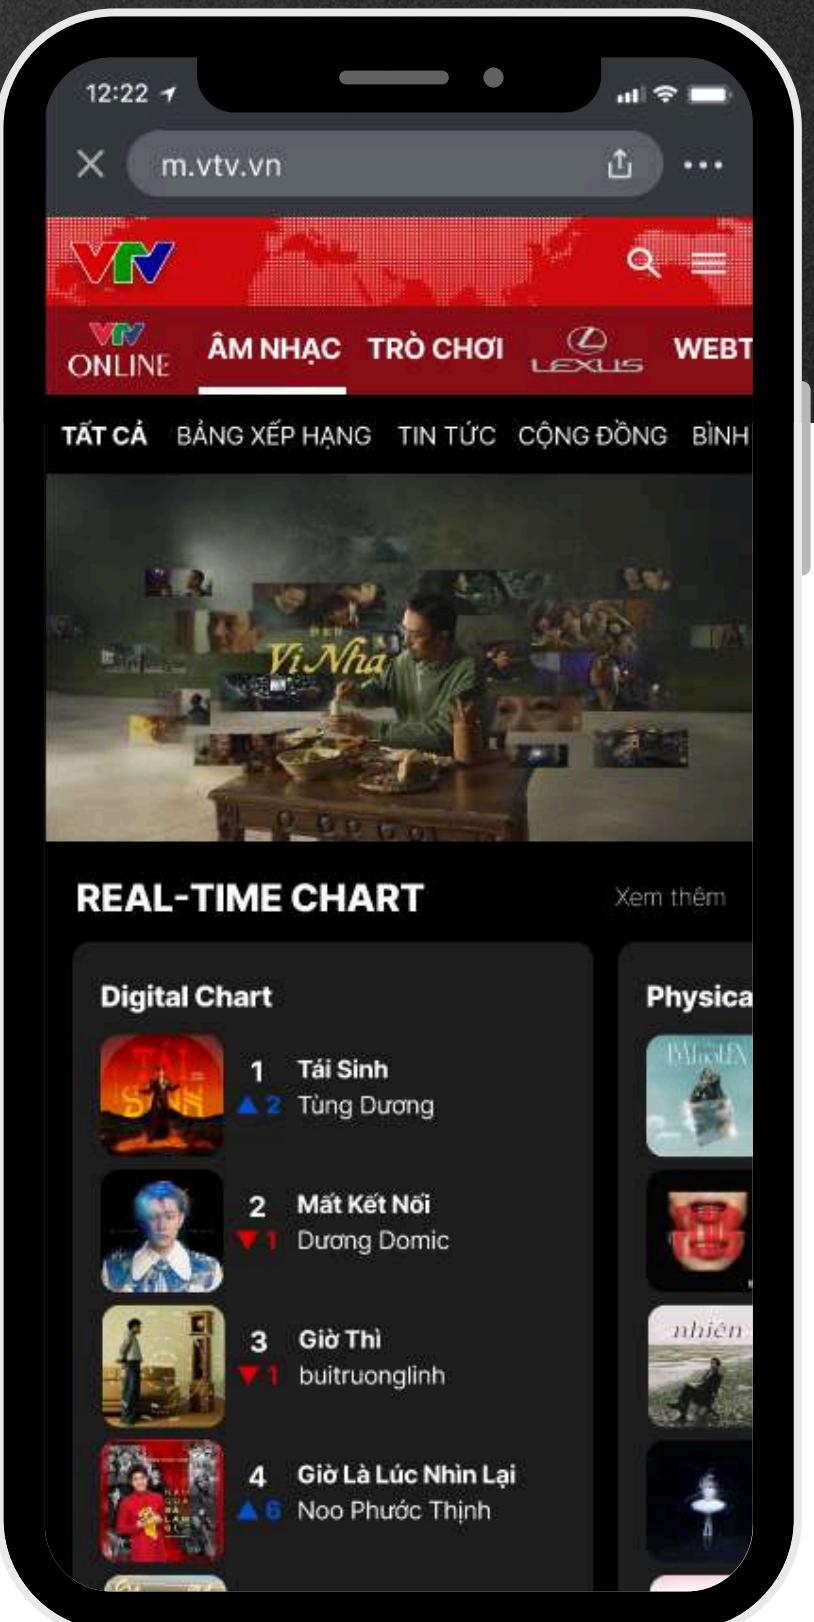

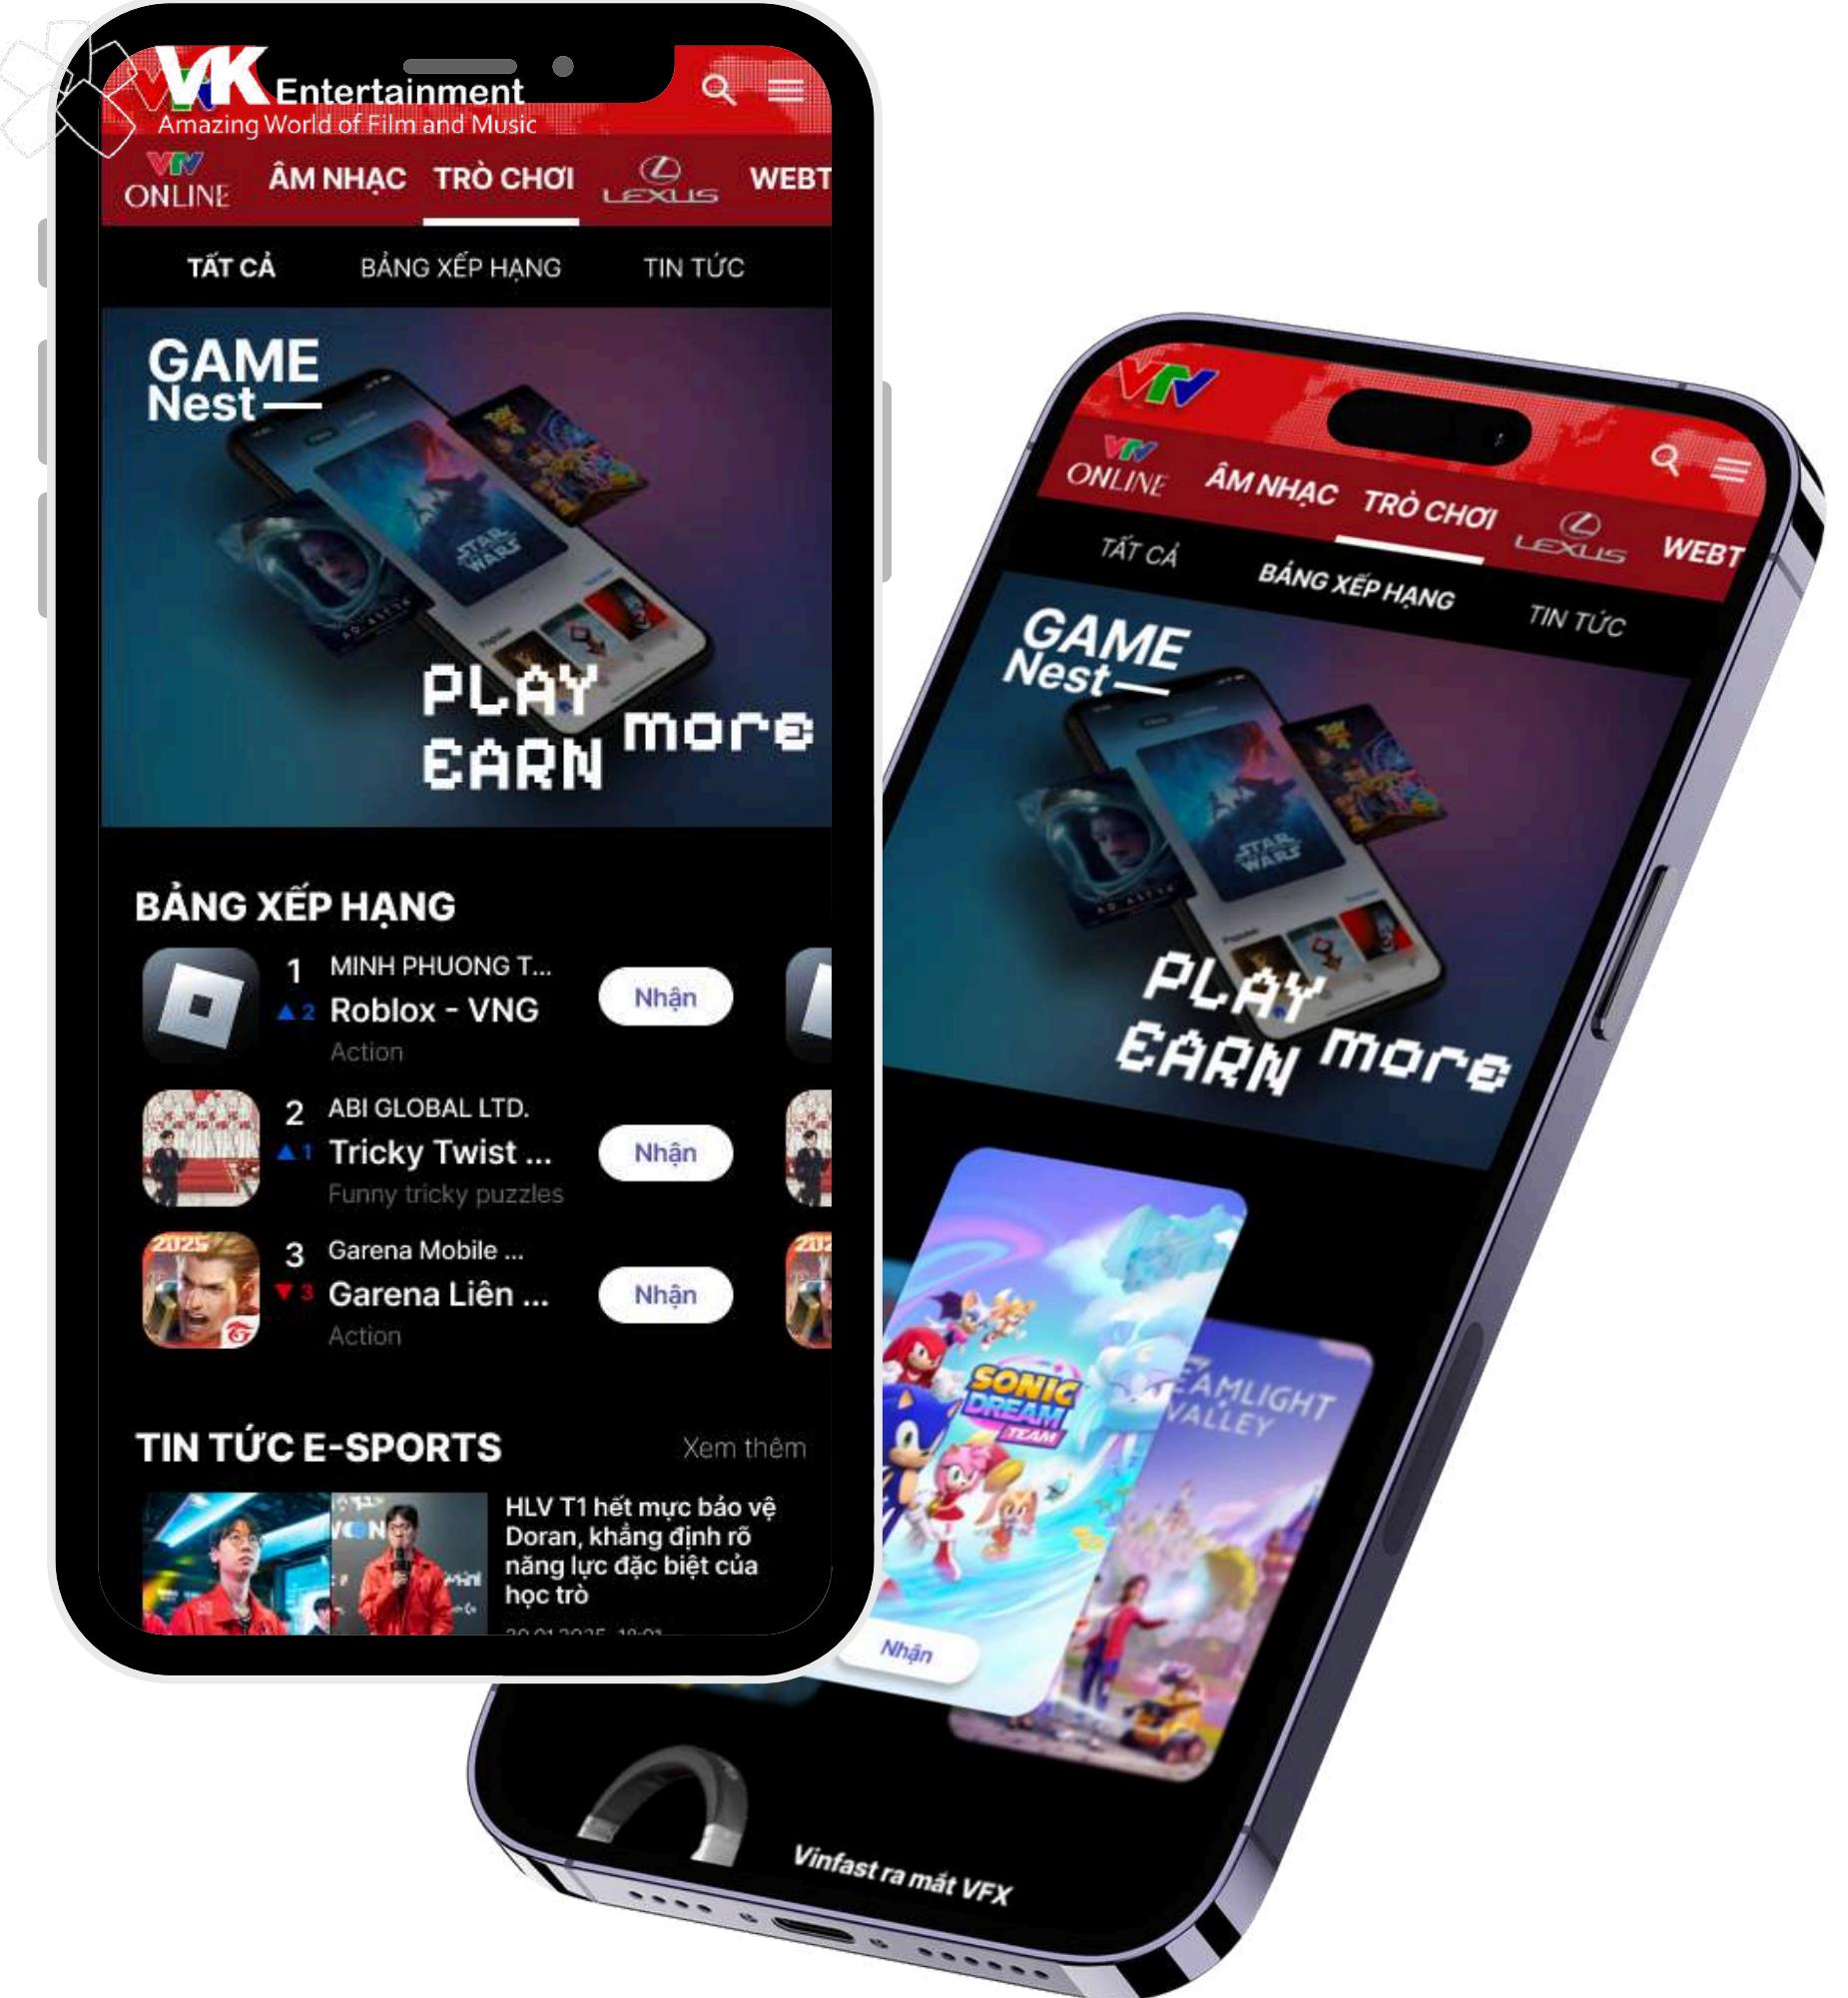

Starting from 2025, VK Entertainment has signed a BOT Contract with VTV Times to jointly develop a Super Platform encompassing News, Music, Game, and Webtoon.

MUSIC CHART, VOTING & FAN COMMUNITY

Cooperating with Hanteo Global - a company with a long history of providing K-Pop Music Charts, VK Entertainment has created a music ecosystem includes services such as Music Charts, Voting, Streaming and Fan Community.

Fans have the opportunity to interact and connect with each other through the Fan Community and support their idols through Voting and Streaming to copyrighted music.

GAME

Since 2023, VK Entertainment has been preparing to expand into the game business and publishing category, directly bringing game IPs from Korea to Vietnam, and at the same time promoting services on digital platforms.

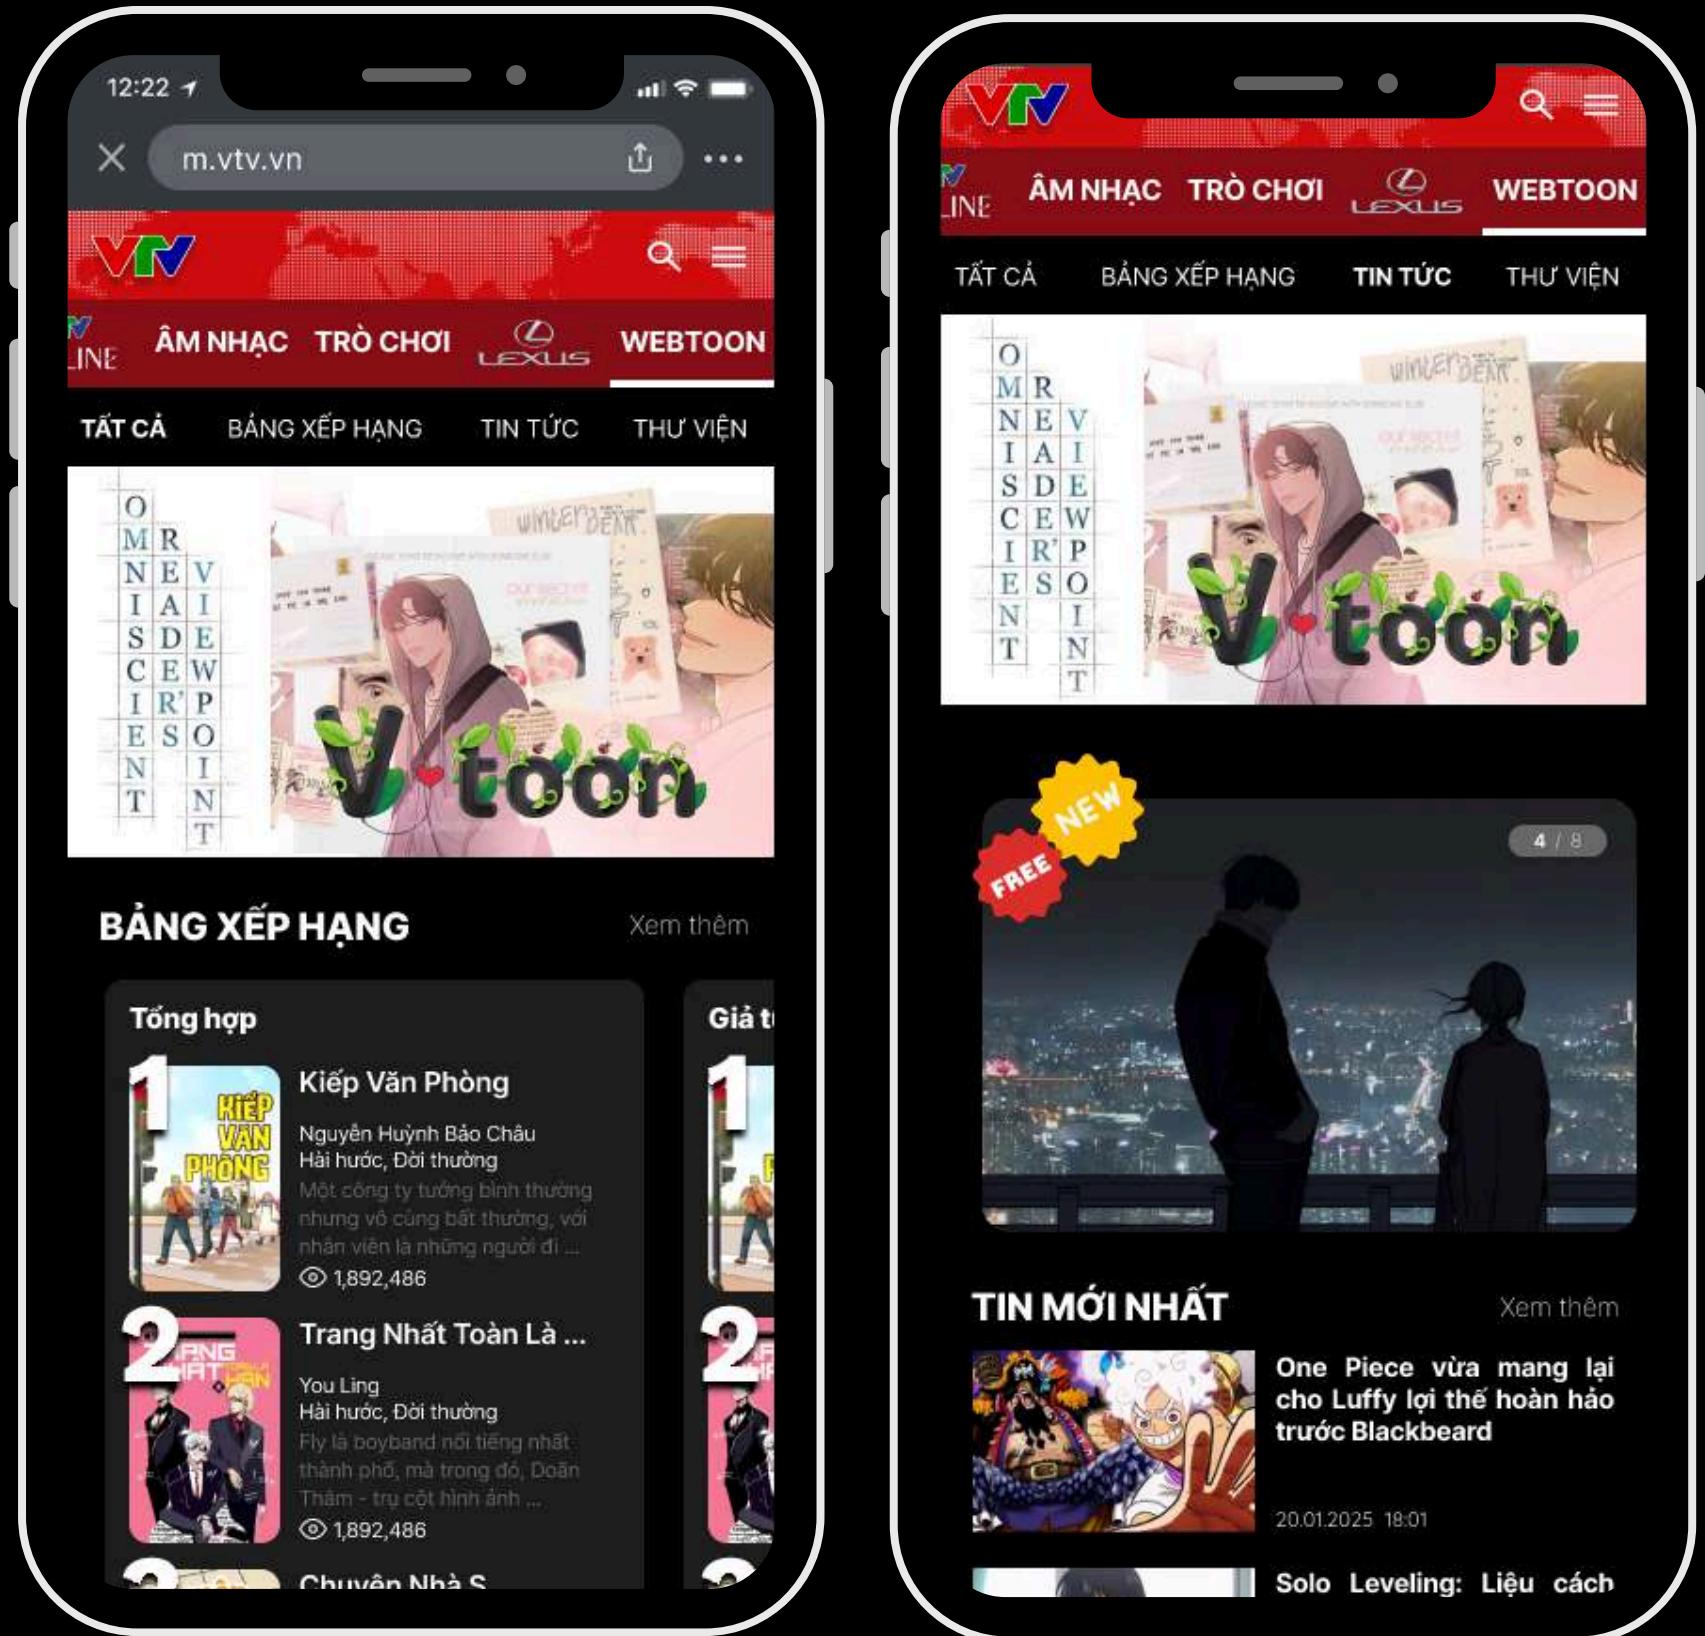

VK Entertainment has full license to publish and trade games according to Vietnamese Law.

THE GUARDIANS

— VỆ THẦN —
THE GUARDIANS

- COMING SOON 2025 -

WEBTOON

Exclusive distribution of Korean webtoons, giving readers the experience of reading copyrighted Korean Webtoons in a convenient and legal way.

Besides, the platform also helps readers easily access and explore Korean Webtoon through trial reading promotions and coins promotion.

07.

TYPES OF ADVERTISING

VK Entertainment provides advertising services in many different types, suitable for customers' needs.

WITH CREATOR

The product is created through collaboration with content creators to promote it in an authentic and engaging manner. Leveraging the creator's unique style allows for effective reach and interaction with the target audience.

OFFERWALL

The in-app advertising tool allows users to complete tasks to earn rewards. This serves as a way for developers to generate revenue from ads while encouraging greater user engagement.

DISPLAY AD

An advertising service that displays images or videos on a website or app to attract users. The ads are positioned in fixed locations to ensure high visibility to the audience.

VOD/SNS

A video advertising service on platforms that allow users to watch on-demand content, featuring precise targeting based on personal information, behaviors, and habits, directing users to the main service (SSOM).

WITH CREATOR

PPL Story type

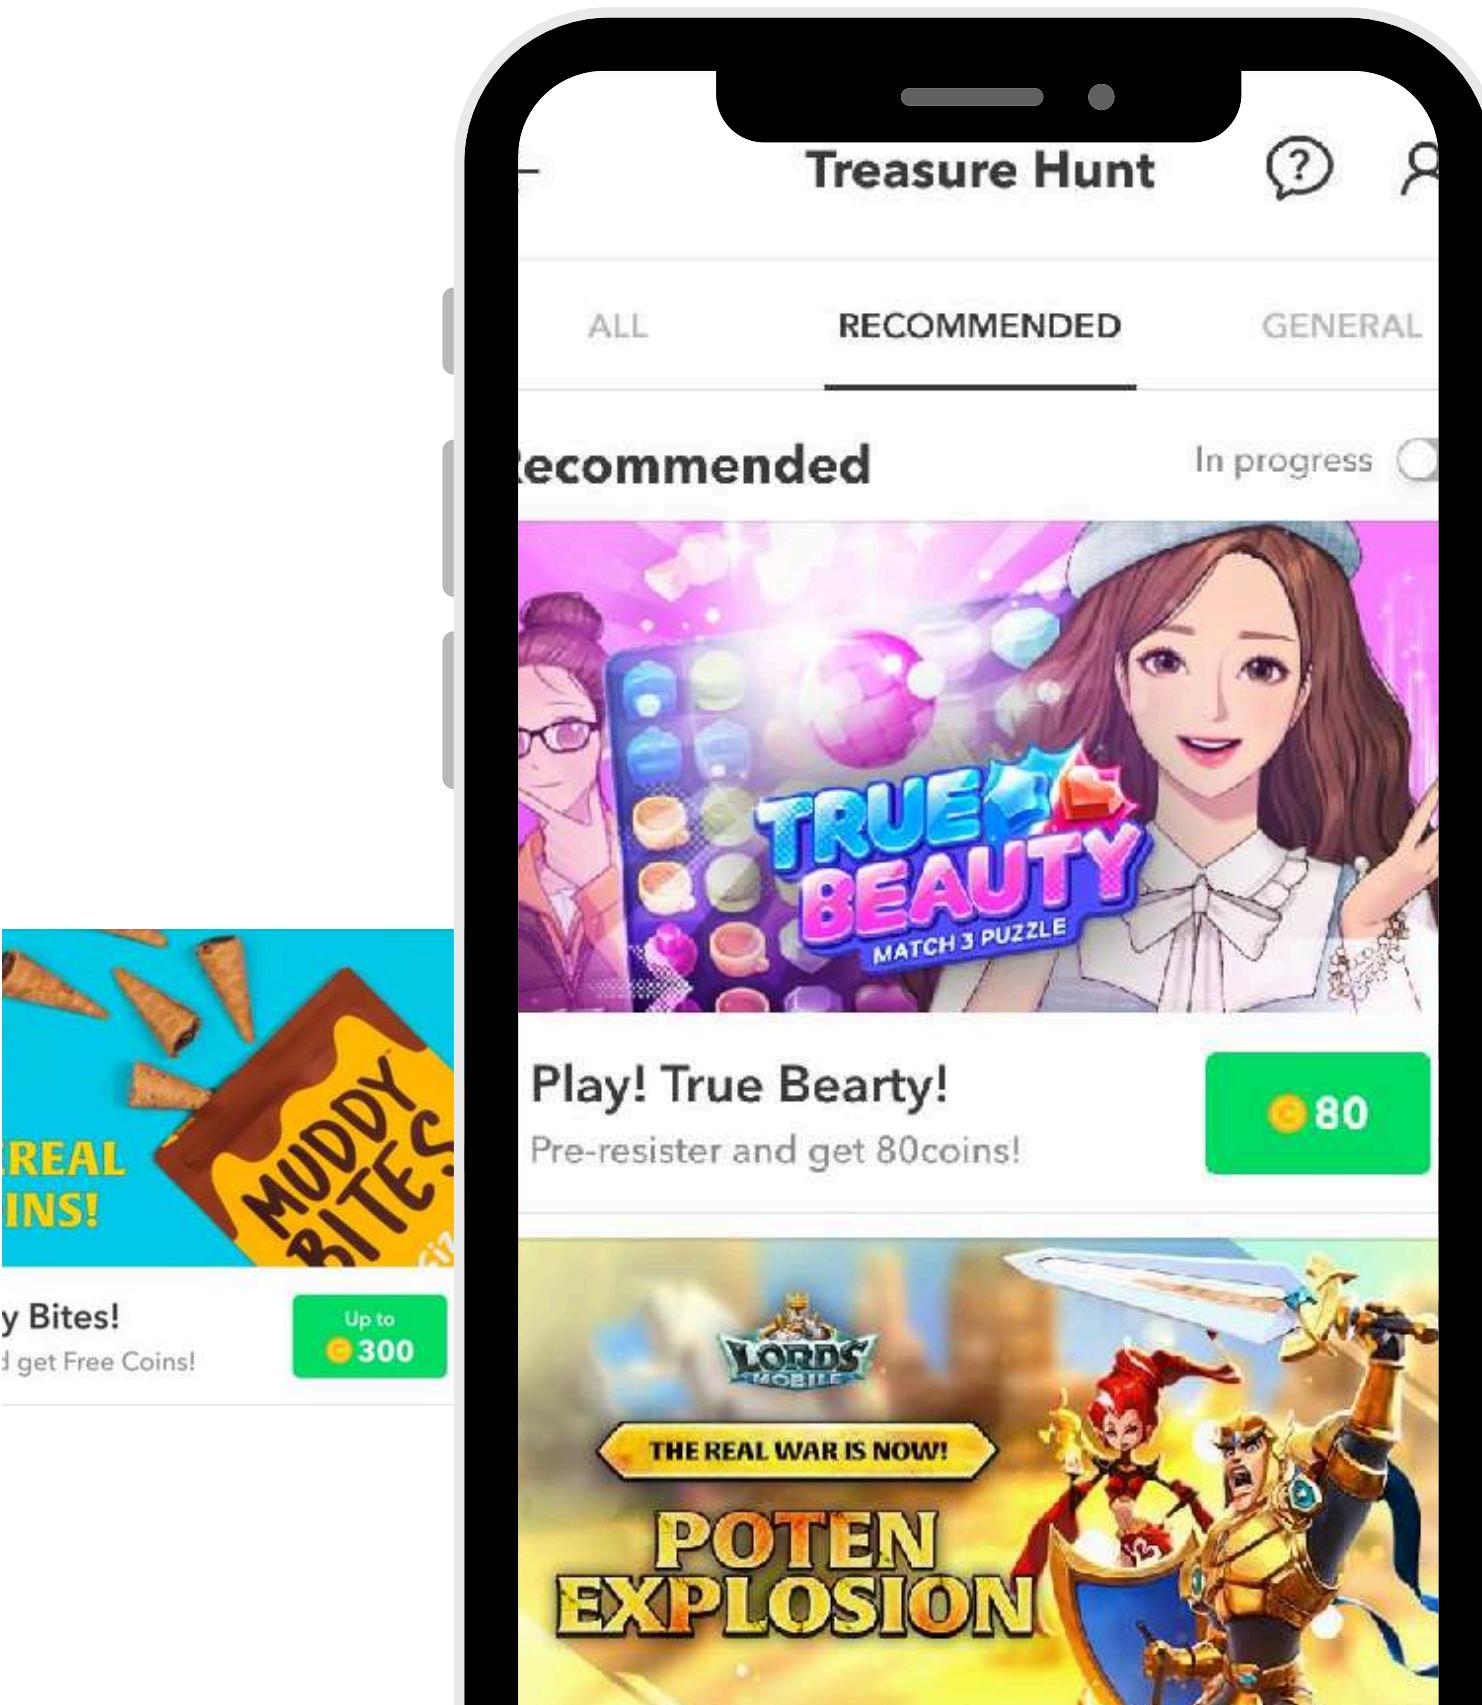

Integrate the product and brand of the sponsor naturally into the story in the form of a short video (under 1 minute) featuring artists, promoting the brand without interrupting the viewer's experience.

PPL Image type

An advertising format in which a product or brand is integrated into visuals, such as social media posts, advertising images, or blog articles. The product appears naturally within the context of the imagery to promote it without disrupting the viewer's experience.

DETAILED INFORMATION
